NZ BRISTLE DECORATIONS – MADE FROM RENEWABLE NATURAL BURI FIBRE

Handmade in the Philippines by artisans that individually craft each item. The wood beaks and feet are hand carved to shape. The buri palm grows in abundance in Southeast Asia. The local communities have passed down the weaving and craftmanship expertise of the buri fibre through generations. These skills contribute to the preservation of traditional knowledge and cultural heritage in the region.

EUROPEAN MADE CHRISTMAS RIBBON FOR GIFTS - OR FOR YOUR CHRISTMAS TREE

Ribbon is a fabulous way to add a strong visual effect to your tree or gifts. It's a cost-effective & dynamic way to instantly change the theme of your tree. On a nostalgic tree you could go for a London check ribbon to create an urban feel. Or use a tartan ribbon to replicate a UK themed tree.
